## Shelter Buddies Camp/Dog Days of Summer Camp Liability and Media Release

The Animal Welfare League of Alexandria’s (hereby known as “the League”) camp is a fun, educational way to encourage your child to act with compassion and understanding towards animals. To ensure a positive experience for all, we set guidelines for the safety and well-being of the campers and the animals. There will be hands-on animal contact. Your child is expected to follow instructions from League staff and maintain appropriate conduct with all animals. If your child is unable to follow these guidelines, he/she will be asked to leave the program.

Parents must arrange transportation to and from the shelter. **Camp starts promptly at 9:30am and ends at 3:30pm.** Please pick up your child on time. Children are not permitted to stay on the premises without supervision.

In the event that your child is injured while participating in the Animal Awareness Camp, this consent form gives the League permission to have your child treated by a professional health care worker.

Is there any medical information about your child that may be pertinent to his/her attending camp, including allergies of any kind or physical limitations?

In the performance of day camp experiences with the League, there exists a risk of damage to clothing and other personal property. I agree to release, indemnify and hold harmless the League for any and all physical injury and for any and all damage to clothing and other personal property.

I understand that in handling animals, it is important to discuss with my charge’s physician whether a tetanus vaccination and/or a rabies pre-exposure vaccination series are necessary. Failure on my part to have my charge vaccinated is my own decision and risk; I release and hold harmless the League from any liability or medical responsibility from my failure to obtain the vaccinations.

I give the League permission to use any photographs taken of myself and my charge in League events, including all camps, youth programs, and other public relations efforts associated with the League.

I grant to the AWLA, its representatives and employees the right to take photographs of my child in the above-identified activities. I authorize the AWLA, its assigns and transferees to copyright, use, and publish the same in print and/or electronically. I agree that the AWLA may use such photographs of my child with or without name, for any lawful purpose, including for example such purposes as publicity, illustration, advertising, and web content.

I hereby unconditionally release, discharge, and hold harmless the League, including its employees, officers, directors, agents, assigns and successors from and against any and all claims, obligations and liabilities of every nature and kind whatsoever, relating to or arising out of my charge’s participation with the League’s camp program.
