

Cathy Anne CAM MacCormac

Board Member since September, 2008

CAM MacCormac began volunteering for Special Events at the League in the early 1990 s. After CAM welcomed her first Standard Poodle, GiGi, into her family in 1997 she decided to set aside volunteering for a few years to enjoy participating in those Special Events with her new puppy. In 2002, the AWLA presented CAM with the PAWSitive Impact Award. CAM has been a member of the AWLA Long Term Planning Committee since 2006 and joins the Board of Directors as a new member in September 2008.

In 1999, to show her concern for health and heart issues, CAM became a member of the Silent Auction Committee for the 12th Annual HearthThrob Ball. This Ball raised awareness and funds that benefited the American Heart Association/National Capital Area Council.

Currently, CAM is employed by the United States Patent & Trademark Office in Alexandria, Virginia as a Design Patent Examiner. The USPTO presented CAM with several awards; a Certificate of Appreciation for Customer Service, a Bronze Medal Award and an Exceptional Career Award. Prior to working at the USPTO, CAM worked at the Department of Defense/Base Closure and Realignment Commission; the Department of Justice/Deputy Attorney General s Office as Confidential Assistant during Ronald Reagan s Administration and the Departments of Labor and Treasury as a Space Planner.

CAM holds a BA degree in Music Education from Virginia Intermont College in Bristol, Virginia. She received her MA in Interior Design from the University of Tennessee (Knoxville).

CAM resides in Alexandria, Virginia and shares her home with 5 adorable four legged furry children; 4 cats, SAM and Zoe (12 and 15 - both from AWLA), Angelo (19), Lena (1-1/2) and her second very special Standard Poodle, Cleo (11).
